of the Badger Steam & Gas Engine Club

Fall/Winter 2020-2021

Baraboo, Wisconsin

NOTICE OF ANNUAL MEETING

The annual meeting of the Badger Steam and Gas Engine Club will be held at 2 p.m. on **Sunday, May 2, 2021** at the show grounds on Sand Road in the **Feature Building**. Please remember to sign in when you enter. **MASKS ARE REQUIRED**. Posters and show directories will be available at the meeting.

This meeting will include reading of the minutes of last year's annual meeting of the treasurer's report and a membership report. Any old business will be discussed, followed by new business consisting of gate admission, flea market, and other fees and prices. The election of officers will follow the business meeting. Director Tanner Brethorst's term is up, so this position will be up for vote. The other current officers are willing to return to office in 2021, but can be challenged by any member who is interested in serving. The nominating committee chair is Tom Ripp (608-234-1111), and you can contact Tom if you are interested in running for office. Nominations from the floor will also be accepted during the election process.

Please note that due to COVID-19, we will **NOT** have a potluck meal following this year's meeting.

2021 Feature: Rumely

Our feature exhibit for 2021 will be items built by the Rumely family of companies, its predecessors and successors. We're going to be joined in this endeavor by the Rumely Product Collectors, as we host their organization's national convention. A committee has been formed to organize the event. If you have questions or suggestions, please contact a member of the committee listed below:

Bill Klemm	(608)434-2100
Del Endres	(608)643-6662
Kevin Behnke	(715)842-8380
Tyler Roudebush	(608)843-2652

Additional details on the feature will be shared as things start to take shape this spring.

Future Features:

2022 – Allis National
2023 – IH and Graham Bradley

Membership: You can look on the Website for the Newsletters. There's a drop-down menu to click on "Newsletters." Also make sure Crystal Hasheider has your current address for hard copy mail, or you may not receive the Newsletter.

THANK YOU:

We would like to sincerely thank any member including the board for all the work they have done during this trying 2020 Covid-19 year. There are too many to thank individually, but Bill Hendrickson would like to recognize his volunteers that stepped up and helped him through his projects.

Remodeling the Shingle Building: Rives Morelock, Tom Bennett, Bill & Joan Mitchell, Denis Pulvermacher, Tim Pittman, and Judy Curtin.

Work on the 60'x100' Storage Building: Allen & Rich Steele, Jim Turner, Neal Stone, The Mente Family, Paul Young, Art Woodward, Denis Pulvermacher, Steve & Tyler Roudebush, Peter Holzman, John Campion, Bill Mitchell, Rives Morelock, Matthew Phelps, and Bob Hensel.

Excavation of the Flea Market Grounds: Rich and Allen Steele, Chaz Meade, Jay Roltgen, Jim Wheeler, Art Woodward, Paul Young, and Paul Hasheider.

Brinkmann Construction for the excellent job and donation of your time and equipment to finish the flooring in the new storage building.

Bill Hendrickson for all his work on the storage building and all the other buildings he takes care of during his many hours at the show grounds.

Andy Pulvermacher for your kind donation of \$2,500.00. It was used to paint the roof of the Shingle Mill and Ticket Booth by Frank Wells Painting. Thank you to the people who have purchased materials for different projects, and didn't turn in any receipts. At a time like this year every little bit helps.

Shingle

There are 2020 shingles for sale with the saying, "Covid-19 Canceled", but a very limited amount. A reminder of what can happen as we all know. A minimum of a \$5.00 donation going to the BS&GE Club is appreciated. Contact Judy bsgsecty@gmail.com or (608) 293-4045 to place an order.

Thank You: Paul Grotophorst, Denis Pulvermacher, and Richard Hoege for undertaking this special project and doing a spectacular job.

Mark Beard Memorial Plaque

Recently the Board of Badger Steam & Gas decided to memorialize Mark Beard with a bronze plaque in his honor to be mounted on the Gas Station which he built and loved. Anyone who would like to donate toward this, please mail your donation to Badger Steam & Gas, PO Box 255, Baraboo, WI 53913, and note on the check that it be used for **Mark Beard Memorial**.

CLUB CALENDAR and DATES TO REMEMBER 2021

The newsletter will be sent to those who want it in a hard copy. We would appreciate anyone who could receive it by email to do so. Sending it by email will save the Club a bundle of money. You can always print it off, and it is available on the Web page under Newsletters. If you haven't signed up to get your newsletter by email and would like to; call or email Crystal. See cover page for email or phone number.
