

**March 17, 2022**

Hello Badger Steam and Gas Engine Show Exhibitors/Campers,

Because the annual meeting was moved to March 16, I have held off on posting pre-registration form until now to be sure there are no changes.

The show dates this year are **August 19 to 21, 2022** with camping opening at noon on Wednesday, the 17th.

Everything remains the same for pre-registration:

cost is **\$25 for one night or from Wednesday noon until Monday noon;**

closing date for pre-registration is **August 6, 2022;**

assignment of sites will be done after that date with those who requested the 2021 site being assigned that site and new exhibitor/campers being assigned according to the unit size and availability.

The pre-registration form with this year's show dates is here on the website in the camping link. Select FAQ and then lodging.

**Fee must accompany the pre-registration form.**

**We are again contracting with Pork Belly Ventures to provide a semi-trailer of showers including shampoo/soap. Please bring your own towel and wash cloth.**

**As always, the camping is STRICTLY for exhibitors and full-time show workers.**

If you camped on the show grounds in 2021, pre-registration allows you to request the same site that you had in 2021. **It is very important that you pre-register if you want the same site.**

**As always, some site modifications for this year will be possible. We will continue to do our best to accommodate the requests we receive.**

If you are open to a new site this year, please indicate that on your form.

Please return your pre-registration form along with your **\$25.00** to us **BEFORE August 6, 2022.**

**Because of new requests each year, we will only hold last year's sites for you if you return your form and fee BEFORE the deadline.**

**Please make checks payable to  
Badger Steam and Gas Engine Club.**

If you have questions, please feel free to email us at [gcschellbe2@gmail.com](mailto:gcschellbe2@gmail.com).  
Or to contact us by phone at: (608)393-1255 (cell phone) or (608)985-8103 (home).

**There is a PERMANENT BAN on campfires on the entire show grounds, except as part of an exhibit. You may still use charcoal grills/portable gas grills to cook at your campsite.**

We look forward to seeing you at the show.
