Hello Badger Steam and Gas Engine Show Exhibitors/Campers,

The annual meeting of the Badger Steam & Gas Engine Club was held on February 26. It was voted that the price for camping for the 2023 show will be:

**\$40 per camp site, one camping unit per site.**

Show dates are **August 18 to 20, 2023**

Camping opens at noon on the 16<sup>th</sup> and closes at noon on the 21<sup>st</sup>.

Everything else remains the same. So for pre-registration:

Cost is **\$40 for one night or five nights, Wednesday noon until Monday noon;**

Closing date for pre-registration is **August 1, 2023;**

Assignment of sites will be done after 8/6 with those who request the same 2022 site being assigned that site and new exhibitor/campers being assigned according to the unit size and availability. Feature campers will be grouped together, if requested and if possible.

**We are again offering online payment by PayPal and regular mail with a check or cash. Fee must accompany the pre-registration form.**

**Pork Belly Ventures will provide a semi-trailer of showers including shampoo/soap. Please bring your own towel and wash cloth.**

**As always, the camping is STRICTLY for exhibitors and full-time show workers.**

If you camped on the show grounds in 2022, pre-registration allows you to request the same site that you had in 2022. **It is very important that you pre-register if you want the same site.**

**As always, some site modifications for this year will be possible. We will continue to do our best to accommodate the requests we receive.**

If you are open to a new site this year, please indicate that on your form.

Please return your pre-registration form along with your **\$40.00** to us **BEFORE August 1, 2022.**

**Because of new requests each year, we will only hold last year's sites for you if you return your form and fee BEFORE the deadline.**

**Please make checks payable to  
Badger Steam and Gas Engine Club.**
